## OCTOBER 2024

### **This first month has definitely been interesting!**

As we round into October, we have more exciting stuff coming up! We would like to welcome our new staff: Malcom Naziel and Orey Forsythe as EA's in our school. As well as a bitter-sweet farewell to our well loved Travis Hebert.

Starting October 1<sup>st</sup>, we welcome Matt Anderson to the school 3 days a week (Monday, Tuesday and Wednesday) to teach an EMT Abulance Attendant course to some of our students. This course will be a year long course that students are quite excited for! Some more excitement coming would be an introduction into Art therapy and the Career Fair to introduce our students to the world of employment.

There is interest in arranging a Hunting Camp in October. Would be a multi-day camping trip to go hunting! Students are encouraged to sign up!

We would like to remind that there is now a "No phone policy" set in place during school hours. If there is some encouragement at home to leave devices at home.
