

Welcome back!! Happy New Year! I hope you all had a wonderful Christmas Break!

This month we will be helping elders each week. I know we started last month but got busy and didn't go each week. This month, we will do better. If you have more ideas about what the elders need, please let us know. We will be focusing on snow removal from drive ways and vehicles, plus chopping and stacking wood.

We will continue with study classes with Rodney. Those who have passed the written test can start their driving lessons in the car.

We will be selling food on Thursdays because there aren't any community luncheons on that day.

Jan 5 – Chicken Caesar for \$10

Jan 12 – Fish patties and rice with dill sauce \$10

Jan 19 – fish sandwiches made with fresh bread and Caesar salad \$10

Jan 26 – TBA

We are excited to announce that we will be carving soapberry spoons with the Canadian Construction Foundation from Jan 23 – 25th. The carver who is teaching us will be online and will try to join us in person for one day. We may also see if James Madam is available to help us one day. This will be for our Arts Studio 12 course.

We will be doing some classes about healthy and unhealthy relationships for our Interpersonal and Family Relationships 11 course.

Please be flexible with the schedule. Sometimes plans change. Hildegard will be joining us possibly on Wednesday mornings to teach Math so that you can get credits for Math 10.

Lots of people came up to me and gave me positive feedback about all of the volunteering that we did in the community in December. I hope you felt pride and a sense of accomplishment as you worked for your people. It did not go unnoticed.

Valerie Angus, Program Coordinator
